Reach the right candidates at the right time

Your GradConnection profile will allow your brand to have a year-round presence. Which means you can be there when students are searching for opportunities, not just when you're advertising your opportunities. With a GradConnection profile you can benefit from;

A year-round profile

Unlike traditional job boards on which you need to post a new ad each time, your profile is live all year to maximise engagement and drive applications.

Targeted email alerts

Get two targeted email alerts to your student audience. Plus, generate traction through targeting by degree, not by keywords like a traditional job board.

Unlimited campaigns

Post as many job ads as you like to a tailored audience of students to suit your company.
